

Try before you buy

With FLEX:TRIAL™ you can experience the benefits of amplification, with no risk or obligation. By trying hearing aids where you live, work, and play, you can gain peace of mind that you have the right hearing aids for you.

Keep your options open

Start with a comfortable and affordable solution that meets your needs today. Should your listening needs change, FLEX:UPGRADE™ gives you the option to upgrade to more advanced technology, without having to replace your hearing aids.

Colours to put a smile on your face

Meet Moxi S-R

Moxi™ S-R hearing aids use our latest technology to deliver our best-ever sound performance and reliable universal connectivity.

Stay engaged no matter how quiet or noisy the environment, connect easily to your Bluetooth®-enabled devices, and switch seamlessly between in-person chats and streamed media.

From special conversations with loved ones to catching up on your favourite podcast, you won't miss a thing.

Moxi S-R

Newly designed water-resistant housing offers increased reliability.*

Easy to wear

Comfort and dependability with style.

At home or on the go, sleek and stylish Moxi Smile hearing aids are built for all the moments that make up your day. Moxi Smile is discreet, water-resistant, and easy to charge at home or on the move, so whatever the day brings, you'll be comfortable, connected, and ready to go.

Be ready for anything.

Convenient charging is always at hand with the new ChargerGo.**

**Charging case not shown actual size.

Easy for you

A solution as unique as you are.

Experience a truly personalised hearing journey with the Remote Plus app. Adjust volume, make sound adjustments, and customise programs for your lifestyle. Get tips and reminders, and share feedback with your hearing care professional. You can even receive fine-tuning adjustments remotely. It all happens with seamless integration into your daily routine.

Gain peace of mind knowing you can track down misplaced hearing aids with Find my Devices.

With Moxi Smile, you'll be ready to enjoy every sound that makes your day uniquely yours.

Easy to hear

Feel it all, from ear to ear.

Moxi Smile hearing aids use our latest technology to enhance the sounds you want to hear and minimise the ones you don't. Smile automatically adjusts to your environment, optimising sound settings so you can stay engaged in the conversation with less effort in the moment and less fatigue at the end of the day.*

Whether you're catching up with friends in a bustling cafe or chatting quietly at home, you can more deeply enjoy quiet moments, big laughs, and engaging stories.

Effortless connectivity

Moxi Smile hearing aids offer easy, reliable universal connectivity with instant compatibility for hands-free calls, and smooth media streaming across all your Bluetooth-enabled devices.

Enjoy fast and seamless switching between in-person conversations, phone calls, and streamed media – plus powerful wireless transmission that provides the freedom to walk away from your phone while staying connected and engaged.

Optional accessories

Stream your favourite media wirelessly in stereo sound with the **TV Connector**.

PartnerMic is an easy-to-use lapel microphone ideal for one-on-one conversations.

Discreetly adjust volume and switch programs with the **Remote Control**.

Roger Select™

Roger On™

Need more help in challenging listening situations like meetings or conversations in noise or over distance? Ask your hearing care professional if a Roger™ device could be a good fit for you.

Embrace your hearing journey for what it truly is: it's your experience

And when you do, you'll discover that the Remote Plus app makes it easy for you to customise your hearing journey your way, every step of the way.

Download the Remote Plus app now:
