HEAR THE WORLD

# Ativo

## I choose simplicity without compromise

A Sonova brand

**unitron** Love the  
experience

## Get to know Ativo

Ativo hearing aids put ease of use, comfort and value within your reach. Discreet on your ear, Ativo features advanced sound performance that strives to get you back into the conversation. With hearing aids designed to help you hear across different environments, you can enjoy the journey.

Natural to choose, intuitive to use and easy to love: that's Ativo.

## Go hands-free with less hassle

Keep calls hands-free and media streaming smooth – pair your hearing aids with up to eight Android or Apple Bluetooth®-enabled devices, including laptops, smartphone and tablets. You can even connect two devices at once to avoid the hassle of switching back and forth between your favourites.

Tap into the user-friendly Remote Plus app and a variety of accessories to further personalise how your one-of-a-kind world sounds.

## Advanced features made accessible

Choose from four colors and styles, all with standard batteries that never need recharging. Ativo delivers in a way that matches your lifestyle and budget.
